SAFETY – PEACE – AWESOME ATTITUDE – RESPECT - KINDNESS

Wild Wolves show their SPARK!

School Safety

As with most schools, when the end of day bell rings, there is a mad dash to get home!

You can help ensure your child and others get home safely by:

- encouraging your child to walk their wheels (bikes, scooters) to the sidewalk before they ride home.
- having your child wear a helmet!
- talking to your child about riding/walking safely all the way home and recognizing the rules of the road, especially at the four-way at the bottom of the hill!
- using the crosswalk to get across the street. As adults, let's set the example of using the crosswalk ourselves and looking both ways before we cross.
- not parking our vehicle on the crosswalk as this impedes people from crossing safely.

December Activities

Hampers – Our amazing PAC will be collecting non-perishable food items for two food hampers to be given out in the Canoe community. Donations can be placed in the hampers located outside of the office. If you plan on donating a gift card, please be sure to give those to Kate at the office.

Spirit Day – On December 2nd, we will be having a Red/Green spirit day! Students will be writing letters to Santa or a loved one in the afternoon. Thank you to our PAC for the apple cider and cookies!

Caroling – Classes will be touring the neighbourhood on December 16th from 10:15AM to 11:45AM spreading Christmas cheer by caroling. A few of the stops will include the Seniors' Centre, the Post Office, and Canooligans' Restaurant.

Holiday Train – The CPKC Holiday Train will be coming to Canoe on December 17th @ 6:45PM. Professional musicians will play a free concert from the brightly decorated train's stage. CPKC makes a donation to the local food shelf at each stop.

Swimming – All classes will be going swimming on December 19th from 10:15-11:15AM.

Winter Concert

This year's Winter Concert will be held on December 5th, 2024. Dress rehearsal is at 1:00PM. Concert is at 6:00PM.
